Upcoming Projects

With both church renovations nicely done and the bills all paid, it's time to look at another project that is needed. Shingles have been coming off of the Fr. Schneider Building. The last time that the roof was replaced was in 1998. The roof on the Enochsburg hall was replaced in 2000. The estimate received to replace both roofs is \$51,870. This would replace all the shingles on both buildings. These are the last two buildings on both sites to have the roofs replaced. If you've found yourself to be financially blessed, please take special consideration if you can help with the cost of this project. Thank you for your consideration.

God bless St. Catherine of Siena Parish!

UPDATE ON RANDY O'DELL

Many people have asked about Randy, so we wanted to fill you in on his condition.

He was diagnosed with Idiopathic Pulmonary Fibrosis last fall. A rare, serious, progressive lung disease that makes it hard to breathe, with no cure.

With the heart attack in February, the doctor was able to repair the lower chamber of his heart, but the surgery and shocking from his defibrillator caused the fibroids and scarring to escalate to the point of requiring 16 liters of oxygen all the time in order to breathe. He is able to get up from the chair and take a few steps with the help of the rollator. He still has a good sense of humor and enjoys having visitors.

We thank you for your cards, food, visits and continued prayers to help Randy on this tough journey. This Community has been a blessing to us.
