With both church renovations nicely done and the bills all paid, it's time to look at another project that is needed. Shingles have been coming off of the Fr. Schneider Building. The last time that the roof was replaced was in 1998. The roof on the Enochsburg hall was replaced in 2000. The estimate received to replace both roofs is \$51,870. This would replace all the shingles on both buildings. These are the last two buildings on both sites to have the roofs replaced. If you've found yourself to be financially blessed, please take special consideration if you can help with the cost of this project. Thank you for your consideration.
